

ROPSTAM'S COMMUNITY SERVICE AT SILA SCHOOL

Ropstam recently demonstrated its commitment to social responsibility by inaugurating a state-of-the-art IT lab at Sila School. This initiative, spearheaded by CEO Wali Hassan, aims to empower young minds with essential digital skills. The visit coincided with Eid celebrations, allowing the team to distribute gifts and bring joy to the students.

Beyond the lab inauguration, our team also organized engaging activities and games, creating a day filled with laughter and learning. Additionally,

a technology awareness session introduced students to basic software concepts, laying the foundation for their digital future.

This multifaceted approach to community outreach provided tangible resources and enabled a spirit of giving and educational empowerment. As Ropstam continues to plan future community service programs, this visit to Sila School serves as a reminder of the company's dedication to making a positive impact beyond the corporate world.

EID UL ADHA FESTIVITIES

As the spirit of Eid Ul Adha filled the air, Ropstam's Lahore and Islamabad offices came alive with memorable celebrations. The event was embraced wholeheartedly, reflecting the company's commitment to cultural diversity and employee well-being.

In a delightful surprise, specially ordered boxes of cookies were distributed to all employees. This thoughtful gesture satisfied sweet cravings and embodied the spirit of sharing and giving central to Eid celebrations.

Both offices were transformed with festive decorations. The atmosphere buzzed with joy as team members exchanged warm greetings & well-wishes to promote a feeling of togetherness.

By honoring this important day, Ropstam not only underlined the significance of this day but also promoted understanding and appreciation among all team members, regardless of their backgrounds.

MILESTONES CELEBRATIONS

We believe in celebrating our most valuable asset – our people. Celebrating birthdays and work anniversaries is not merely a tradition at Ropstam - it's a way to show appreciation and recognize the hard work of our team members.

In the month of June, we celebrated the birthdays of our team members Usama Noshawan, Rubab Sabahat, Adeela Rani, Bilal Sarwar, Azeem Sadiq, & Waqas Younis. The celebrations consisted of cake cutting & light moments shared

with colleagues, reinforcing our commitment to healthy work-life balance.

But that's not all – appreciating dedication and loyalty is in line with our vision, & that's why special arrangements were made to celebrate the work anniversaries of Ifra Ayesha, Sabir, Muhammad Umer Farooq, Adil Zareef, Usama Naeem, Moaz Ellahi, Hina Siddiqui, Musaddiq Khan, Usama Jamil,

Hina Siddiqui, Musaddiq Khan, Usama Jamil, and Azeem Sadiq.

Such collective moments of joy not only boost morale but also strengthen the bonds within our team, creating a workplace where everyone feels valued and appreciated. Here's to our June celebrants and many more years of shared success!
